

LUNEX METALS CORP. ANNOUNCES APPOINTMENT OF RAMIRO MASSA AS VICE PRESIDENT, CORPORATE DEVELOPMENT AND STOCK OPTION GRANTS

May 15, 2026 – Vancouver, British Columbia – Lunex Metals Corp. (“**Lunex**” or the “**Company**”) is pleased to announce that it has appointed Ramiro Massa as Vice President, Corporate Development of the Company, effective May 11, 2026.

In his role, Mr. Massa will support the Company’s corporate development initiatives, including strategic partnerships, capital markets and stakeholder engagement, and will provide Argentina-focused strategic input and support management with cross-border partner discussions and related regulatory considerations.

Ramiro Massa is a mining executive with more than 20 years of experience in mineral exploration, corporate development, strategic partnerships, and capital markets across Latin America. Mr. Massa is also a director and former President & CEO of Minsud Resources Corp. (TSX Venture Exchange-listed) focused on the Chita Valley Project in San Juan, Argentina, where he helped advance the company through its RTO and a strategic partnership process culminating in a joint venture with South32 and was closely involved in the discovery and advancement of the Chinchillones porphyry and polymetallic system. Mr. Massa holds a BBA in Business Administration and Accounting from Universidad Católica Argentina (UCA) and a Diploma in IFRS from the Association of Chartered Certified Accountants (ACCA) in the United Kingdom.

Stock Option Grants

In connection with this appointment, Mr. Massa was granted an aggregate of 250,000 stock options under the Company’s stock option plan (the “**Options**”).

The Options are exercisable at a price of CAD\$0.27 per common share, have a term of five (5) years from the date of grant, and will vest as follows: ten percent (10%) upon the listing of the Company’s shares on a recognized stock exchange, and an additional fifteen percent (15%) on each six (6) month anniversary thereafter until fully vested.

The Options are subject to the terms and conditions of the Company’s stock option plan and the applicable award agreement and applicable securities laws.

About Lunex Metals Corp.

Lunex Metals Corp. is a Canadian mineral exploration company focused on advancing the Luna Roja Project in the prolific Deseado Massif region of Santa Cruz Province, Argentina. The Company is committed to the discovery and development of high-grade precious metal deposits through systematic exploration and technical excellence. Lunex is a British Columbia, Canada corporation and a reporting issuer in the Provinces of British Columbia and Alberta, and is progressing toward listing its common shares on the TSX Venture Exchange.
